Serial No 1

Letter no C2-5826/28-29 dated 16/20 5 29 from the Deputy Commr Bangalore Dist recommending land to the resolution give Velamangala Mal to grant a piece of land situated in front of the Shah Mahalla in Velamangala town free of cost to the Makkandar for growing a flower garden subject to certain conditions.

1 The Dycommr states that the value of the land is Rs 50/- and that the place is now useful for residential purposes and that the land may be given to the petitioner upon the stipulated conditions submitted with a draft Sanctioning for approval and orders.

2 The propriety of the grant of land seems to be a matter for consideration of the Govt notwithstanding the strict terms of the recommendation of the Dycommr. The matter seems to be one within the competency of the Revenue Minister

3 It seems to be better to provide for resumption of land in case of breach of any of the conditions notwithstanding that Govt may prescribe a lease

SIR

Subject — Free grant of land situated in front of Muradali Shah Makkan to the Makkandar Vajilla Shah for maintaining a flower garden, Nelamangala Municipality

I have the honor to enclose herewith the file of records received from the President, Nelamangala Municipal Council, re the above On the petition presented by the Makkandar Vajilla Shah for free grant of land situated in front of Muradali Sha Makkan and measuring 30' x 125', the Municipal Council has passed a resolution in favour of granting the same gratis under the following conditions -

1 The well situated in the proposed site of land should continue to be in the possession of the Municipality and that there should be free access to all outsiders who want to draw water from the well

2 No obstruction should be caused for leading water from the well to water the Silver Jubilee garden by a channel through the Makkan

3 The land should be used for no other purpose except for growing flower plants

The petitioner has executed a Mutchalika binding himself by the above conditions and agreeing to pay any penalty which the Municipal Council thinks fit, in case he transgresses any of the above stipulated conditions

As per the valuation statement attached, the value of the land as estimated is Rs 52/- only Considering that the land situated as it is before a makkan - is not so much useful for residential purposes and also as the purpose is a laudable one in so far as the land is intended for maintaining a flower garden to offer worship to the tombs, I think that the land may be given gratis to the petitioner under the stipulated conditions I request you

you to kindly obtain early orders of Government in the matter

The connected file of records may kindly be returned after perusal

I have the honor to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Bangalore District
